

TreeNet3D Terms of Use

Thank you for your interest in our dataset. Before we are able to offer you access to the dataset, please agree to the following terms of use.

After approval, researcher receive permission to use the TreeNet3D dataset as ShenZhen University. In exchange for being able to receive such permission, Researcher hereby agrees to the following terms and conditions:

1. The copyright of the dataset belongs to us (ShenZhen University). By using the dataset, you agree to abide by our terms of use.
2. The dataset is intended for research purposes only. You may use the dataset for academic research, scholarly publications, technical evaluations, and similar purposes. However, you may not use the dataset for commercial purposes, including but not limited to selling, promoting, or directly or indirectly profiting from it.
3. In the process of using the dataset, you must comply with applicable laws and regulations. You may not use the dataset for any illegal activities, activities that violate ethical standards, or activities that harm the interests of others.
4. You assume responsibility for the use of the dataset. We are not liable for any direct or indirect losses, damages, or legal liabilities resulting from the use of the dataset.
5. When using the dataset, please acknowledge the source of the dataset and cite our institution name to protect the intellectual property rights of the dataset.
6. You may not share the dataset with any unauthorized third parties. If you need to share the dataset with others, please ensure that you obtain written authorization from us.
7. For research outcomes based on the dataset, you should ensure proper citation and acknowledgment, mentioning the use of the dataset in relevant academic publications or reports.
8. We reserve the right to modify these terms at any time as needed. Any modifications will be communicated in advance before they take effect.
